

Programme Thursday 28 March

TIME	ACTIVITY	ROOM
08:00 - 09:00	Registration, Exhibition & Welcome Refreshments	Crush Hall & Ballroom
09:00 - 09:15	Welcome <i>Myles Taylor</i>	Music Hall
SESSION 1	MATERNAL MEDICINE	Music Hall
09:15 - 09:45	<i>Chairs: Jenny Myers & Catherine Williamson</i> Dissecting the maternal and fetal components of fetal growth to improve clinical outcome <i>Professor Andrew Hattersley, Exeter, UK</i>	Music Hall
09:45 - 10:35	ORAL PRESENTATIONS OP.01 - Supporting women who have obese or overweight BMIs with postnatal weight management: Findings from the SWAN feasibility randomised controlled trial. <i>Cath Taylor and Dr Debra Bick</i> OP.02 - Aspirin non-responsiveness in pregnant women at high-risk of pre-eclampsia. <i>Kate Navaratnam</i> OP.03 - Metformin as an adjuvant therapy to dietary advice for pregnant women who are overweight or obese: the GROW randomised, placebo controlled trial. <i>Jodie Dodd</i> OP.04 - Prevalence of eclampsia and related complications across eight low and middle-resource countries: secondary analysis of a cluster randomized controlled trial. <i>Nicola Vousden</i> OP.05 - Pregnancy outcomes in women with prior history of coronary artery disease. <i>Matthew Cauldwell</i>	
10:35 - 11:15	Exhibition, Coffee and ePosters	Ballroom
	Top 5 ePosters in Maternal Medicine: Authors of these posters will give a short presentation of their study which will take place in the presentation area of the exhibition hall.	West Drawing Room
11:15 - 11:45	Clinical Conundrum: Oesophageal Varices in pregnancy <i>James Ferguson and Tracey Johnston, Birmingham, UK</i>	Music Hall
11:45 - 12:45	Symposium on Maternal Death:	
11:45 - 11:50	- The Tydeman Blood Clock <i>Graham Tydeman, Edinburgh, UK</i>	
11:50 - 12:10	- Highlights from MBRRACE-UK and other high income countries <i>Marian Knight, Oxford, UK</i>	
12:10 - 12:40	- Low and middle income countries <i>Andrew Weeks, Liverpool, UK</i>	
12:40 - 12:45	- Q&A	
12:45 - 13:45	Exhibition, Lunch and ePosters	Ballroom
12:45 - 13:45	Trainee Breakout Session	West Drawing Room
SESSION 2	PREGNANCY & OUTCOME	
13:45 - 14:15	Prevention of Preterm Birth - a National perspective <i>Nigel Simpson, Leeds, UK</i>	Music Hall
14:15 - 14:45	Maternal determinants of neonatal brain development: new insights from magnetic resonance imaging <i>Prof James Boardman, Edinburgh, UK</i>	
14:45 - 15:35	ORAL PRESENTATIONS OP.16 - STRAWB2 (Stress and Wellbeing After Childbirth): a trial of targeted self-help materials to prevent PTSD following childbirth. <i>Andrew Weeks</i> OP.17 - Effects of oral probiotic supplements on vaginal microbiota during pregnancy: A randomised double-blind, placebo-controlled trial with microbiome analysis. <i>Zoe Drymoussi</i> OP.18 - Randomised trial of cord clamping at very preterm birth: outcomes at two years. <i>Eleanor Mitchell</i> OP.19 - Title TBC OP.20 - Associations between Social and Behavioural Factors and Late Stillbirth - Findings from the MiNESS Case-Control Study. <i>Alexander Heazell</i>	
15:35 - 16:00	Exhibition, Tea & Coffee and ePosters	Ballroom
	Top 5 ePosters in Pregnancy Outcome: Authors of these posters will give a short presentation of their study which will take place in the presentation area of the exhibition hall.	West Drawing Room
16:00 - 17:40	Late Breaking Session, 4 RCTs & 1 Cohort Study: <i>Chairs: Fionnuala McAuliffe & Katie Morris</i>	Music Hall
16:00 - 16:20	1. QUIDS <i>Sarah Stocks</i>	
16:20 - 16:40	2. ANODE <i>Marian Knight</i>	
16:40 - 17:00	3. PITCHES <i>Lucy Chappell</i>	
17:00 - 17:20	4. PHOENIX <i>Lucy Chappell</i>	
17:20 - 17:40	5. BABYBIOME <i>Peter Brocklehurst</i>	
17:40	END OF DAY 1	

Programme Friday 29 March

TIME	ACTIVITY	ROOM
08:00 - 08:45	Registration, Exhibition & Welcome Refreshments	
08:00 - 08:45	TRAINEES SESSION	
08:00	NIHR CRN Portfolio Studies - past successes, current performance, the future. <i>Nigel Simpson</i>	
08:15	Developing Chief Investigators of the future, Birmingham Clinical Trials Unit project to pump prime research ideas. <i>Katie Morris</i>	
08:30 - 08:45	Panel Q&A: how can we increase trainee participation in NIHR CRN Portfolio studies? What are the barriers? What are the solutions? RCOG APM in Clinical Research	
08:45 - 09:20	BMFMS AGM (BMFMS members only)	Music Hall
SESSION 3	FETAL MEDICINE	
	<i>Chairs: TBC</i>	Music Hall
09:30 - 10:00	Keynote Speaker: The challenge of providing choice for late termination for fetal abnormality <i>Professor Lesley Regan, President RCOG, London, UK</i>	
10:20 - 11:10	ORAL PRESENTATIONS OP.06 - Towards a novel fetal therapy for Preeclampsia. <i>Rekha Gurung & Paul Brownbill</i> OP.07 - Do ultrasound detection rates meet NHS Fetal Anomaly Screening Programme (FASP) targets? An audit of antenatal screening in England using data from the National Congenital Anomaly and Rare Disease Registration Service (NCARDRS). <i>Nicholas Aldridge</i> OP.08 - Quantifying Expert Performance in Obstetric Ultrasound Using Probe Tracking Systems: Data to Improve Training. <i>Brian Dromey</i> OP.09 - Magnetic resonance imaging assessment of lung:body volume ratios in fetuses at high risk of preterm birth. <i>Lisa Story</i> OP.10 - An optical navigation tool for ultrasound-guided foetal surgery. <i>Marie Anne Ledingham</i>	
11:10 - 11:30	Exhibition, Teas & Coffees and ePosters	Ballroom
	Top 5 ePosters in Fetal Medicine: Authors of these posters will give a short presentation of their study which will take place in the presentation area of the exhibition hall.	West Drawing Room
11:40 - 12:55	Society Lecture - Prenatal genetic testing in the 21st century - what should we be offering mothers? <i>Dr Marc Evans, New York, USA</i>	Music Hall
	Keynote Speaker: Prenatal genetic testing - where are we, and where do we want to go to? <i>Professor Tom Shakespeare, Norwich, UK</i>	
12:40 - 12:50	Q&A <i>Pran Prandya (Fetal Med reps)</i>	
12:50 - 13:30	Exhibition, Lunch and ePosters	Ballroom
	Top 5 ePosters in Labour & Delivery: Authors of these posters will give a short presentation of their study which will take place in the presentation area of the exhibition hall.	West Drawing Room
SESSION 4	LABOUR & DELIVERY	
13:30 - 14:30	Induction of labour symposium: How and why. - Why should we be offering IOL? <i>Katie Morris & Jane Norman</i> - How should we be offering IOL? <i>Sarah Stock</i>	Music Hall
14:30 - 15:20	ORAL PRESENTATIONS OP.11 - Obstetric near miss events during childbirth among women with a history of mental illness: a data linkage study. <i>Abigail Easter</i> OP.12 - Will the new Green Top Guideline (GTG) on placenta praevia cause unnecessary prematurity? A review of current practice at a large teaching hospital. <i>Lucy Blanks</i> OP.13 - Why do low-risk nulliparous women with a normal sized fetus need emergency caesarean delivery? <i>Niamh Murphy</i> OP.14 - Risk assessment in threatened preterm labour: results of the PETRA study. <i>Jenny Carter</i> OP.15 - PREPS: Vaginal Preparation at Caesarean Section to Reduce Endometritis and Prevent Sepsis: A Randomised Feasibility Study of Chlorhexidine. <i>Victoria Hodgetts Morton</i>	
15:25 - 15:45	When does active labour start, and does it matter? <i>Keynote speaker: Kim Hinshaw, Sunderland, UK</i>	
15:45 - 16:05	Results of OASIS care bundle <i>Miss Raneer Thakar, Croydon, UK</i>	
16:05 - 16:35	The view from the bridge: maternity care for the next decade <i>Society Lecturer: Cathy Calderwood, CMO Scotland, UK</i>	
16:35 - 16:45	Presentation of prizes	
16:45 - 17:00	Closing remarks <i>Myles Taylor</i>	
	End of Meeting - Take away Tea & Coffee
